Dear Dr. May,

I wanted to thank you again for presenting the Eat mindfully, Live Vibrantly! Lunch event; over 150 Arizona State University Alumni and guests attended. The feedback has been very positive, just yesterday a woman who attended told me she has already referenced your book on numerous occasions. The workshop was presented in an entertaining, engaging way that the audience could relate to. It was a pleasure working with you and your staff. Thank you for graciously giving of your time to the Alumni Association we truly appreciate it!

Sincerely,
